Conference organisers should contact the Publisher if they wish to have meeting information included in this listing, to ensure the accuracy of the information published. Please ensure that you provide the name and dates of the conference, its location, contact details, a website, and information regarding registration and submission of abstracts well in advance of the conference's start date.

If you do wish to have a conference announced in the Journal, please contact Alexia Basualdo at a.basualdo@elsevier.com, to arrange this.
